GOZAFRO

How do you waste time, when your schedule is clear?

Baking cakes for other people. Or going on a run.

Are those considered wasting time though? What's your greatest ambition?

To enjoy every second of my life with awesome people – whether it's on work or personal time.

Describe yourself in three words...

Friendly, determined, enthusiastic.

What's the most surprising thing we'd find out if we looked at your phone?

I don't have that many apps!

The perfect night out?

Enjoying a long dinner and good conversation in fall weather and walking around the city afterwards.

The best advice you've ever been given?

When you're stressed out about something, step away for a second and reassess the situation and yourself outside of that issue. Put your life into perspective by drawing on all the other positives first.
